Wendy WRIGHT (nee Logan) was wondering if anyone has any news of the HORSLEY family who farmed in the Domains/Mhangura area and also Doug and Adrienne CAMPBELL of the same area?" I knew Natalie HORSLEY at school – she came from a large farming family. I lost contact with Natalie ages ago, unfortunately. Adrienne Campbell is the sister of Heather COZENS, who I also knew at school and kept my horses with when she lived out at Mount Hampden. I am hoping that they are all okay, and wonder if they have been affected by the farm takeovers." Wally PRATT writes "we have looked for Cyril and Joyce LAPTHORN over the years. Cyril played in the brass section of the Big Band in Salisbury. They lived near us in Hatfield, but eventually moved to Bulawayo. I think the band was 'The Squadronairs' and they were great to dance to. The other members were Ted HOBB (drums), 'Pik' PICCO-

LO (Double Bass), and Frankie LANE (not the singer). Joyce Lapthorn's father was, if my memory serves me well, a Station Master, if not West Nicholson then another station down that line. If any of them are still around I would love to hear from them." If anyone can help put Wally in contact with any of these people please contact him at 5 Barton Drive, Paignton, Devon TQ3 3SH, UK.
