The Flame Lily Foundation (FLF) has been assisting former residents of Rhodesia/Zimbabwe since its formation 20 years ago, when it was known as RASA. The FLF already provides financial support and homes for several old age pensioners.

The FLF is established to promote, further and secure the interests of former residents of Rhodesia/Zimbabwe, and to give help in particular to the aged and the disabled.

The FLF now has over 2 000 members who currently subscribe to these objects.

The FLF is administered by a National Managing Committee, and Branch Committees in the provinces of Gauteng, Kwa-Zulu Natal, Mpumalanga and Western Cape.

Patrons of the FLF are:
The Honourable H.N. MACDONALD, former Chief Justice of Rhodesia;
The Honourable B.H. MUSSETT, former Minister in the Government of Rhodesia;
The Honourable H.G. SQUIRES, former Minister in the Government of Rhodesia and Supreme Court Judge of Natal;
Air Vice-Marshal C.W. DAMS, former Deputy Commander of the Rhodesian Air Force.

Borraldaie Trust: For those of you who don't know me, I am Tony LEE, and I am the warden, or general manager of the Borraldaie Trust Home for the Aged, situated in Marondera, 70 kms east of Harare in Zimbabwe. BT is registered with the Ministry of Social Welfare as a Welfare Organisation Institution -W/O 236/68, and thus attracts a tax deduction for donations made to it. It was built by the Reverend and Mrs Borraldaie BELL some 51 years ago, and is non-sectarian, non-racial and non-denominational, albeit having been founded upon Anglican tradition. It costs us twenty pounds sterling per month to fully maintain one B/C-scheme resident (67 pence per day).

It costs us 45 pence per day to feed one B/C-scheme resident (15 pence per meal, on average).

May I ask you to please consider making a donation to our cause, to help us to look after our elderly, our senior citizens, who've spent the best part of their lives contributing to the building and developing of this wonderful land of ours. Our U.K. bank is Child and Company, Bankers, incorporated with the Royal Bank of Scotland.

Zimbabwe Pet Rescue Project: This project has been launched by a group of animal lovers who cannot stand by and see this tragedy unfold.

The funds that are raised are not given to any government organisation and are extremely carefully monitored and used for the following: (in order of priority) medical drugs and supplies, pet food and funds for fuel and veterinary bills.

We are a non-political project and this is not political rhetoric - it is fact! Our fundraising account is:
